Office of Comptroller of the Treasury, WASHINGTON, MARCH 26th, 1886.  
WHEREAS by satisfactory evidence presented to the undersigned, it has been made to appear that "THE MINER'S NATIONAL BANK OF SALT LAKE" in the City of Great Salt Lake, in the County of Great Salt Lake and Territory of Utah has been duly organized under and according to the requirements of the Act of Congress entitled "An Act to provide a National Currency, secured by a pledge of United States bonds, and to provide for the circulation and redemption thereof," approved June 3d, 1864, and has complied with all the provisions of said Act required to be complied with before commencing the business of banking under said Act.  
Now therefore I, Freeman Clarke, Comptroller of the Currency, do hereby certify that "THE MINER'S NATIONAL BANK OF SALT LAKE" in the County of Great Salt Lake and Territory of Utah is authorized to commence the business of Banking, under the Act, aforesaid.  
In testimony whereof, witness my hand and seal of office, this Twenty-sixth day of March, 1886.  
F. CLARKE, Comptroller of the Currency.

**Local and Miscellaneous.**

**THE HOUSE.**—Of love and peace there's sweet singing; but the house is not so sweet as it once was. When the house was new, it was a home; but now it is a place of sorrow and tears.

**ADAM ISAAC MENKEN** arrived in New York a few days since. She was at once surrounded by managers and agents desirous of securing engagements with her. Mr. George Wood quickly communicated to her an offer of a large sum of money for a series of four nights, which Adam could not withstand. Consequently she arranged to appear at the Broadway Theatre on the 30th of April.

**DESTRUCTIVE FIRE AT SILVER CITY, NEVADA.**—The *Enterprise* reports the almost total destruction of Silver City by fire on Sunday morning, April 30th. The fire broke out in a frame building occupied as a bakery, and spread rapidly. There being no fire apparatus, but little effort was made to arrest the flames, but exertions were turned to the saving of property. The total loss will exceed \$30,000, of which but the value of \$5,500 was insured. Several families were left destitute, and the *Enterprise* suggests that assistance be rendered them.

**IMPROVEMENTS.**—Sutterley has hung out three new and elegant show cases, well filled with the choicest gems of photographic art, embracing views in this territory and Nevada, portraits of leading citizens of Utah, besides many from Virginia City, Nevada, where the Messrs. Sutterleys have another extensive gallery, which is managed by Col. Clem Sutterley, Adjutant General of Nevada. We will also mention that in one of the above mentioned cases will be seen a most excellent portrait of the Colonel, in company with the telegraph boys of Virginia. Of Sutterley's gallery, which is the best in the territories, we have already spoken at length, and will only add that it is gaining in popularity every day.

**POTACE.**—Under this heading we find in the *Telegraph* of Tuesday the following item:

Jacob Crandall was arrested for assaulting and insulting two little girls. Sentence, fifty days' hard labor, with ball and chain.

This is another interesting case which we wish to notice. We will say in advance that in this matter Judge Clinton did his duty faithfully. During the last few weeks there has been scarcely a number of the *Telegraph* that did not contain some sensational item regarding insults offered to Mormon women by the "regenerators," "road agents in blue," &c., but not one of them was ever arrested; and now the first and only one of these villains that has been caught proves to be a full-fledged Mormon, and, as a natural consequence, our dinky contemporary—the fearless champion of virtue, the advocate of double-barreled shot-guns for ladies—is remarkably reticent on the subject.

**CALIFORNIA ITEMS.**—Two merchants, on their way from San Juan to Marysville, Cal., in a buggy, were stopped by highway robbers and relieved of their valuables, and on the same day three teamsters were dispossessed of their coin. The robbers were enroute in the sum of about \$300.—The high mountain back of Scott Bar, Shoshone county, Cal., showed evident signs, during the late storms, of sliding toward the town, which is situated immediately at its base.—Four vessels have arrived at Sacramento, loaded with material for the Yuba Railroad Company. This road will, when finished, connect the town of Lincoln with Marysville, and will make the railroad communication between Sacramento and Orville complete.—The Amador Ledger says that Coney and Hayward have purchased the entire interest of Dr. Randall in the Randall copper mine, one mile north of the Newington and on the same range.—The *San Francisco Examiner* of the 28th ult. says: "The iron is being laid down at the rate of half a mile per day on the Central Pacific Railroad, and we have implicit faith that the same will reach this place on or before the day designated by the Company, to wit: 20th of May. The forces above this place have repaired large reinforcements the past month, and the work is being pushed forward with greater rapidity than at any other time in the history of the enterprise.—Miners in Nevada county are doing well. The *Transcript* has the following: Quartz prospecting is going on very lively in these parts. On Deer creek there are some thirty or forty companies at work sinking shafts and running tunnels. Most of them are taking out some splendid looking rock. Small lots of rock from several of the ledges, on being crushed, paid from \$8 to \$23 to the ton. Nearly all of the above ledges have been struck within the past six months.—The miners on Kentucky Flat are taking out considerable gold at this time. On Friday last the Portuguese Company found a nugget worth \$95, another worth \$18 and a third worth \$10. One company on Kentucky creek has been taking out, with pick and shovel, about \$10 per day.
